

2020 Editorial Calendar

Cover Date	Copy deadline	Publish Date	Industry Feature	Section Features
Jan/Feb	Nov 30th	Jan 4th	Food & Drink	Plant Equipment: Heat exchange & recovery
				Plant & Asset Management: Maintenance: Condition Monitoring
				Safety: Fire & explosion control and containment
				Control & Instrumentation: Instrumentation: Level measurement
				Supplements: Pumps, Valves & Flow. Sustainability.
March/April	Jan 30th	March 3rd	Oil & Gas	Plant Equipment: Compressed Air
				Plant & Asset Management: Maintenance: Predictive & preventative maintenance, visual planning
				Safety: Electrical safety & test
				Show Preview: Water Equipment Show, CHEMUK, Industry 4.0
				Control & Instrumentation: Control: Industry 4.0
Supplements: Pumps, Valves & Flow. Sustainability.				
May/June	March 30th	May 4th	Energy & Utilities	Plant Equipment: Mixing & blending
				Plant & Asset Management: Maintenance: Software
				Safety: Gas detection
				Control & Instrumentation: Instrumentation: Flow measurement & control
				Supplements: Pumps, Valves & Flow. Sustainability.
July/August	May 31st	July 4th	Chemicals	Plant Equipment: Pipes & connectors
				Plant & Asset Management: Maintenance: Condition monitoring
				Safety: Enclosures
				Control & Instrumentation: Control: Machine vision
				Show Previews: PPMA
Supplements: Pumps, Valves & Flow. Sustainability				
Sept/Oct	July 31st	Sept 4th	Pharma & Bio	Plant Equipment: Boilers and steam
				Plant & Asset Management: Maintenance: Rotating equipment maintenance and protection
				Safety: Hazardous area/ATEX
				Control & Instrumentation: Instrumentation: Weighing
				Show Previews: WWEM, AQE
Supplements: Pumps, Valves & Flow. Sustainability				
November/December	Sept 29th	Nov 3rd	Water & Waste Water	Plant Equipment: Energy efficient equipment
				Plant & Asset Management: Maintenance: Predictive maintenance
				Control & Instrumentation: Control: HMI
				Supplements: Pumps, Valves & Flow. Sustainability
